Technology Research Areas

Research Area	CVS*	ASTA	VOL*	MAS	JOI*	I2K*	SEA*	IRC*	OMNI	GOCG
Wireless networks/Telecomm					X				X	
Artificial Intelligence/Software agents				X						
Data visualization	X	X				X	X	X		
High-performance computing										
Natural language processing										X
Image processing						X				
Data mining		X								
Data storage and distribution					X					
Network security					X				X	
Human/Computer Interaction	X		X			X				X
Data simulation algorithms							X	X		
Planning/scheduling			X							X
Expert systems		X								

* Product demonstrated during University Focus meetings
